## ALCO 3000 AUTOMOTIVE BATTERY

The ALCO 3000 range is the ultimate battery for reliability and starting power. ALCO is known for manufacturing high quality batteries that deliver exceptional starting power.

EXG Grids resist corrosion and can handle the harshest conditions. The sealed design minimises water electrolyte evaporation which means longer lasting life and maximises safety.

The ALCO 3000 range is the best choice battery for Australia's varying conditions and is available in a number of popular DIN sizes including European and US varieties.
